Perfect for a Forest of Fairway Lot. A Craftsman masterpiece, the Cedar Crest is perfect for a forest or fairway lot. Its wrap-around porch adds warmth to the facade and is a great place to watch the world go by. A side-entry garage and decorative shop bay enhance its award-winning curb appeal, recognized as Best Published Plan at the 2007 AIBD Design Competition. The popular family living layout features vaulted formal living and dining rooms off the volume foyer, complemented by a spacious informal living area with a covered patio that is ideal for outdoor dining. The angled front stair leads directly to the luxury master suite with its private sitting room and grand bath. A second stair provides quiet access to the children's bedrooms with connecting bath, guest suite with private bath and large vaulted bonus room. The romantic facade and easy-living floor plan of the Cedar Crest create a dramatic expression of home.
